

## REMARKS

Claims 80-84 are pending in this application. Claims 48-79 are canceled. Claims 80-84 have been allowed, and Applicants appreciate that allowance.

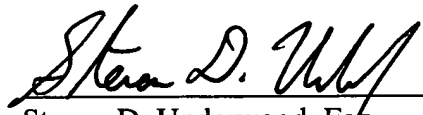

The Office Action mailed on April 19, 2006 allowed claims 80-84 and rejected claims 48-79. Applicants respectfully disagree with the grounds provided to support the rejection of claims 48-79. Those claims have been canceled solely in order to further prosecution of this application. Applicants reserve the right to prosecute those and other claims in other applications, and the cancellation of those claims should not be taken as an admission that they are not patentable.

Since all pending claims have been allowed, the application is believed to be in condition for allowance.

No fee is believed due in connection with this Response. However, if any fee is required, please charge that fee to Deposit Account No. 50-0310.

Respectfully submitted,

Date: May 5, 2006
